

# Elijah: Tug of War Between Self and Others

**Text:** 1 Kings 19:19-21; 2 Kings 2:6-14

**Purpose:** To recognize the call that God has put on our life to invest in the people He has put in our lives who do not know Him yet.

**Opening Question:** *Who was the one that invited you, told you, and helped you know who Jesus is?*

## **Read and Discuss: 1 Kings 19:19-21**

1. *What's it like when you lack purpose with something like your job? Life? Relationships?*
2. *What are some of things in your life that give you a sense of purpose?*
3. *Can your purpose change throughout your life? Today what would you say God has called you to do? Or can you describe your calling?*
4. *What calling or purpose could you see God give to you in the next season of your life?*

## **Read and Discuss: 2 Kings 2:6-14**

5. *How do you remove barriers (fear, laziness, lack of direction, insecurity) that keep you from following God in His call for your life?*
6. *Elijah invested in Elisha. As we move toward Easter season, who is your One? Who is the person that God has put on your heart to bring to hear about the amazing things Jesus has done?*
7. *How would you go about inviting that person to an Easter service this year?*
