

## Imagine: Serving

**Text:** 1 Peter 4:10-12

**Purpose:** As Jesus continues to build His church, we want to learn how to make ourselves available so we can join Him and gain real purpose/mission for our lives.

**Opening Question:** *What is one house project that you are working on?*

**Read and Discuss: 1 Peter 4:10-12**

- 1. Peter talks about gifts given to each Christian so they can use it to serve others. What spiritual gifts in the Bible can you most relate to?*
- 2. Why does God give spiritual gifts to Christians?*
- 3. What would you say to a Christian who believes they have nothing to give?*
- 4. Why is caring for God's church important for us?*
- 5. Verse 11 what does Peter mean when He says that God will be praised/glorified through Jesus Christ? How did Jesus align His purpose with God the Father's purpose?*
- 6. How is God glorified through us?*
- 7. What ways can we take more ownership of God's church?*
