

## Vision Leading Transformation

**Text:** Matthew 5: 13-16

**Purpose:** We all get to play a part in carrying out the mission at Calvary. We want our leaders and volunteers to be equipped and supported well, so they have everything they need to utilize their gifts and abilities.

**Opening Question:** *What's your favorite way to serve at church or home?*

**Read and Discuss:** Matthew 5: 13-16

1. What does Jesus mean by "you are salt of the earth"?
2. How can we lose our saltiness?
3. In what ways do you find yourself being used by God at home? Work? Church?
4. What qualities do you find God uses in people to shine light into darkness?
5. What do you need in order to be a person who continues to shine the light of Jesus into a dark world? How are you supported? How are you encouraged?
